

# 2008 Rate Sheet

**Part of the Music**  
Professional Music Lessons and Services

Rates are effective 1/1/2008 and are valid through 12/31/2008. I'm proud to still offer a \$15/lesson option, which is 25% cheaper than most piano studios! Students may prepay for 2008 lessons using 2007 rates until 12/31/2007. Prepaid tuition is not refundable for lessons cancelled by student.

I offer reduced prices (10-20% discounts) when tuition is fully paid for a 13-week semester. I offer \$50 tuition credits for referrals who complete their first 13 weeks of lessons. Flexible schedules (like every-other-week) have higher rates, as that time slot goes unfilled during "off" weeks.

Tuition is due prior to starting lessons. I accept cash or check in-person; I also accept credit cards online for no additional charge. Visit [partofthemusic.com](http://partofthemusic.com) and click [Pay Tuition](#).

Reminder: Please review studio policies regarding lesson schedules and attendance.
